NATIONAL POINTS:

1. In order to be eligible for National points, a rider must earn points in at least two (2) National events in the same class. National class points will be based on the following points schedule:

Finish / Points	Finish / Points	Finish / Points	Finish / Points
1 - 30	6 - 15	11 - 10	16 - 5
2 - 25	7 - 14	12 - 9	17 - 4
3 - 21	8 - 13	13 - 8	18 - 3
4 - 18	9 - 12	14 - 7	19 - 2
5 - 16	10 - 11	15 - 6	20 - 1

Example: At a series event a rider may finish first in the 250cc class and third overall. He would receive 30 points for his 250cc class win and 21 points toward the National Championship.

2. The AMA/FMF Racing National Enduro Overall Champion will be decided by the points accumulated at all 11 of the rounds on the AMA/FMF Racing National Enduro series. Class champions will be decided by the points accumulated in 8 of the rounds of the AMA/FMF Racing National Enduro series. Ties are broken by comparing the number of first, second, third, etc. finishes, until the ties are resolved.
3. If at the end of the series a tie exists, the winner will be determined by:
 - a) The rider having the most 1st, 2nd, 3rd, etc. will be the winner.
 - b) If the tie still exists, the points accumulated in the events previously not counted will determine the winner.
 - c) If the tie still exists, the rider who had the better score when competing against the other tied riders will be the winner.

- d) If the tie still exists, and the riders did not compete against one another, the rider who competed against the most entries in the class of all the accumulated events, will determine the winner.
- e) If the tie still exists, and the riders competed against the same number of riders in the series, the rider competing against the most entries in a single event will be the winner.
- f) If the tie is in "OVERALL" and the riders did not compete against each other, both riders will be awarded the same position.
- g) In the event a tie still exists, the winner will be determined by AMA staff.
